Application Deadline:

The deadline to apply to the Mission Support grant program is **Wednesday July 24, 2024, 5:00PM EST.**

Following completion of the application, the organization’s Authorizing Official must sign off on the application in the Assurances section. This signature must be obtained prior to the deadline, or the application will be considered incomplete and will not be considered for funding.

Step 1: Confirm Applicant Eligibility & Collect Documentation

MACC’s Mission Support grant program provides funding to eligible 501(c)(3) nonprofit arts and culture organizations throughout the state of Michigan that have a primary charitable purpose reflecting arts and culture. To be eligible to apply for Mission Support, each of the following checkboxes must be true for the organization. Instructions are included for obtaining required documentation that applicants will upload later in the application.

- Organization has received tax-exempt status as a 501(c)(3) nonprofit organization from the Internal Revenue Service (the IRS).**
- Organization is physically located in Michigan with programs/services open to the public.**
- Organization must have a primary charitable purpose of arts and culture according to its assigned NTEE code (beginning with the letter “A”)**
 - A nonprofit organization’s primary charitable purpose is determined by the organization’s National Taxonomy of Exempt Entities (NTEE) code assigned by the Internal Revenue Service (IRS) at the time of the organization’s incorporation. To be eligible to apply in MACC’s Mission Support grant program, nonprofit organizations must have an NTEE designation that begins with “A”, which denotes the organization’s primary charitable purpose is related to “Arts, Culture, Humanities”.
 - To check NTEE code, refer to IRS documentation transmitted during the incorporation process or search for the organization using a free account on [Candid/Guidestar](#). Additional information on NTEE codes can be found [at this link](#).
 - **Eligible** nonprofit arts and culture organizations include organizations with an NTEE code that begins with “A” such as: arts councils, visual arts organizations, media/communications organizations, museums (art, history, children’s, natural science, etc.), historical societies, theaters, performing arts, nonprofit zoos, and more.
 - **Ineligible** applicants include: any organization that is not a nonprofit and for which arts and culture is not the primary charitable purpose. This includes “auxiliary support organizations” such as “Friends of” groups that raise funds on behalf of another entity.
 - Organizations with multiple NTEE codes (in which at least one is designated “A”) should apply in the Mission Support category and cannot also apply in the MACC Experience Support category (designated for non-arts and culture organizations).
- The organization files annual tax returns with the Internal Revenue Service (IRS).**
 - **REQUIRED DOCUMENTATION:** Copy of the organization’s most recent filed (990, 990EZ, or 990N). The public-inspection version is acceptable.
- The organization possesses and maintains a federal Unique Entity Identifier (UEI).**
 - UEIs can only be obtained from [SAM.gov](#)
 - For step-by-step instructions for obtaining a UEI, please access [this recording](#) from the federal General Services Administration. Additional resources can be obtained on [SAM’s website](#).
 - **It is 100% free to obtain a UEI and maintain the organization’s account in SAM.gov.**

- Please be aware that there has been a nationwide rise in fraudulent attempts from individuals that may contact an organization and offer to obtain a UEI for a large cost.
 - SAM registration and UEIs are issued directly from the federal government at no cost.
 - Organizations who enter information that doesn't match federal databases may be prompted to create an Incident Report to obtain specialized support from SAM to obtain the UEI. In most cases, SAM will request specific documentation to help verify information. This can take several weeks to process.
 - **Organizations cannot apply for MACC funds until its UEI has been issued.**
 - Need Assistance? If you still have questions after reviewing the tutorials and help documents, please contact the Federal Service Desk at FSD.gov, by phone at 866-606-8220, or online through "Live Chat" or "Create an Incident." The hours of operation are Monday through Friday, 8 a.m. to 8 p.m. Please note that there may be wait times.
- **The organization possesses a current Charitable Solicitation Registration from the Michigan Department of Attorney General.**
- **REQUIRED DOCUMENTATION:** Copy of the organization's current public listing on the Michigan Attorney General's (AG) website which indicates the organization has an up-to-date Charitable Solicitation Registration (CSR) or that the CSR registration is pending.
 - The CSR must be current (cannot be expired). If the organization does not have an active CSR on file with the AG's office, that must be completed before exporting the public listing as instructed below. Visit the AG's website for information on how to obtain the CSR.
 - While most organizations are required to file a CSR annually, some organizations are exempt from the process. If an organization is not required to file a CSR, instead upload proof of exemption issued after filing the "Request for Exemption Form".
 - To get a copy of your organization's public listing:
 - Go to [AG's website](#) and click on "Search for Charities and Fundraisers"
 - After accepting search disclaimer, search for organization. If organization does not appear in search, try searching again using different keywords. If organization still does not appear, it must contact the AG's office to get up to date with required filings to be compliant and so that a public listing appears. MACC cannot grant funds to organizations that are not compliant with the AG's office.
 - After finding and clicking on the organization, the page that displays is the organization's current public listing, which MACC needs a copy of in the application. Ensure that "Solicitation Registration Status" is up to date (not expired) -- this means the organization has a current and valid Charitable Solicitation Registration on file with the AG's office, which is what MACC needs proof of.
 - Save a copy of this webpage as a PDF to upload later in the application. (On most computers, you can right-click on the webpage, click "Print", and the print dialogue screen will give the option to export the webpage as a PDF to your computer).
 - See example document in Appendix.

- **The organization regularly files required Annual Reports with the Michigan Department of Licensing and Regulatory Affairs (LARA).**
 - Most organizations will file Annual Reports online on the [LARA website](#).
 - **REQUIRED DOCUMENTATION:** Copy of organization’s 2023 Annual Report that was filed and accepted by LARA.
 - To obtain a free public copy of the organization’s 2023 Annual Report,
 - Search for organization using [LARA’s Entity Search](#). If organization does not appear in search, try searching again using different keywords. If organization still does not appear, it must contact LARA to get up to date with required filings to be compliant. MACC cannot grant funds to organizations that are not compliant with LARA.
 - Once organization is found and clicked on, scroll down to “View filings for this business entity” and select “Annual Reports/Annual Filings”.
 - Download the organization’s 2023 Annual Report as a PDF to upload later in the application. (On most computers, you can right-click on the webpage, click “Print”, and the print dialogue screen will give the option to export the webpage as a PDF to your computer).
 - MACC cannot accept annual report filings from 2022 or earlier.
 - See example document in Appendix.

- **The organization has completed a National Endowment for the Arts (NEA) Section 504 Self-Evaluation Workbook and updates the Workbook every three years.**
 - MACC Mission Support applicants are required to complete and attach to the application a Section 504 Self-Evaluation Workbook PDF that can be downloaded and saved from this link: <https://www.arts.gov/sites/default/files/SECTION504Workbook.pdf>
 - For “how-to” suggestions on completing the workbook, see Appendix.
 - Please note there are no right or wrong answers; rather, it’s a self-evaluative overview of an organization’s staff, programming, and facilities in order to assist an organization’s compliance with the American with Disabilities Act (ADA).
 - The process of self-evaluation often brings current accessibility strengths to light as well as highlight areas for improvement with regard to an organization’s accessibility in terms of barriers that may restrict access to persons with disabilities.
 - **REQUIRED DOCUMENTATION:** Copy of the organization’s current Section 504 Self-Evaluation Workbook (valid if completed within the last three years).

Step 2: Review Available Grant Programs & Allowable Expenses

Available FY25 Mission Support Funding Opportunities

- [Operational Support](#) (up to \$25,000)
- [Facility Improvement & Equipment](#) (up to \$30,000)
- [Professional/Organizational Development](#) (up to \$1,500)
- [Transportation](#) (up to \$1,500)
- [Arts Education](#) (up to \$10,000)

Total potential Maximum Request Amount per organization = \$68,000

- Applicants may request and receive funding in any number of the five available funding categories.
- Applicants to the MACC Mission Support program may not also apply in the MACC Experience Support grant program.
- Applicants of any budget size are eligible to request up to the maximum request amount per category.
- All funding must be spent within the grant period: October 1, 2024 to September 30, 2025.
- **Application Fee:** There is not an application fee to apply for MACC funding.

Cash match requirement: All applicants are required to make a minimum 25% cash match (no in-kind expenses allowed) to the total amount awarded. State funds may not be used as matching funds. For example, if an applicant is awarded a total of \$40,000 from MACC (through any combination of grant programs), they would be required to match the overall grant award with \$10,000 in cash. The SmartSimple portal will calculate the required cash match for applicants based on their grant request amount (the cash match amount may change if awarded less than the request amount). If awarded funds, applicant must sign a grant agreement detailing terms for the use of MACC funds. Please note that the grant agreement will detail the scope of work and the payment schedule. In the final report, MACC requires a financial statement detailing allowable revenues and expenses including proof of cash match.

Grant Awards & Nonprofit 990 Filings: Please be aware of the effect MACC grant funding may have on the organization fiscally. For example, if the amount of funding received increases your annual revenue to above \$50,000, you may have to file Internal Revenue Service (the “IRS”) Form 990EZ instead of 990N. Similar to the IRS, the Michigan Department of Attorney General has financial statement filing requirements based upon the amount of contributions received by nonprofits during a reported year. Please [click here](#) to view the IRS Form 990 guidance; [Click here](#) to view the Michigan Department of Attorney General guidance for nonprofits.

Eligibility for Multiple Applications: Eligible applicant organizations may apply only once in the MACC Mission Support category. If an organization includes separate identifiable and independent divisions, the organization may be eligible to apply for MACC Mission Support for each division. An eligible independent division should be equivalent to a stand-alone institution and must be both programmatically and administratively distinct from the organization. **A parent organization should contact MACC staff to verify eligibility of the independent division(s) before starting applications.**

Independent division status is demonstrated by each of the following (all four must be true):

Request Amount: up to \$10,000 maximum

Tab G: SUPPLEMENTAL QUESTIONS

Supplemental questions have the potential to provide an additional \$100 per question if “Yes” is selected and additional information provided is verifiable. Answering “No” will not impact funding requests from other categories.

Admissions: Yes/No questions asking if the organization offers free or discounted entrance fees for various groups (Veterans, 55 or better individuals, EBT card holders, etc.). These questions will be used

by MACC when liaising with other state agencies, state legislators, and/or outside interested partners. The organization will be asked to provide a brief description (200 words or less) and provide links as proof of free or discounted pricing.

- Does the applicant provide free/reduced admission for Veterans/active duty?
- Does the applicant provide free/reduced admission for EBT cardholders?
- Does the applicant provide free/reduced admission for Seniors?
- Does the applicant provide free/reduced admission for PreK-12 students and/or college students?

Programming: Does the organization offer, or plan to offer, special programming (Veterans, 55 or better individuals, folk and traditional arts, etc.) during the grant period of October 1, 2024 to September 30, 2025? This information could be used by MACC when liaising with other state agencies, state legislators, and/or partners. The organization will be asked to provide a brief description of the project or programming offered/proposed and will be required to provide a summary in the final report.

- Does the applicant have/plan on having a youth/young professionals advisory council?
- Does the applicant provide/propose programming specific to creative aging (age 55 or better)?
- Does the applicant provide/propose programming specific to folk/traditional arts?
- Does the applicant provide/propose programming specific for persons with disabilities?
- Does the applicant provide/propose programming specific to adults/youth/families impacted by the justice system?
- Does the applicant provide/propose programming specific for active duty/Veterans?
- Does the applicant provide/propose programming specific to healing arts?
- Does the applicant provide/propose statewide and/or regional services?
 - If answering “Yes” to this question, the applicant may be eligible for additional funding through MACC’s Partnership Opportunity. These grants are designed to extend the reach of MACC’s impact by partnering with organizations that offer statewide and/or regional services, furthering MACC’s mission to provide arts and culture access and opportunities for every resident and visitor of Michigan. Inherent in this program is the understanding that no one person, organization, cultural facility, or agency can effectively accomplish this strategy without the aid of other like-minded partners.
 - If the applicant is interested in being considered for the MACC Partnership Opportunity, it must answer “Yes” to the additional question that will appear in this section: **“Would the organization like to apply for a Partnership Opportunity?”**
 - MACC will make a separate Partnership application available to organizations that answered “Yes” and that can successfully describe their proposed state-wide or regional services. This separate application process will be available after July 24 and will be reviewed by MACC’s Partnership Committee for potential funding.
 - Within the Partnership Grant application, MACC will consider partners that offer (or propose to offer) arts and culture-related programs/services that help accomplish one or more of the following initiatives:
 - Provide services, programming, and events and/or conduct research that the Council currently does not have the capacity to undertake

- Serve as advocates, ambassadors, and resources for MACC state-wide or in specific communities/regions. This may include MACC application technical support or hosting informational sessions on MACC programming
- Facilitate convenings of arts and culture organizations, non-arts and cultural organizations that have arts and cultural programming, artists, culture bearers, film professionals, arts and cultural administrators and arts and cultural educators
- Encourage on-going education and leadership development
- Foster and develop collaborations and partnerships between arts and cultural organizations, local governments, businesses, and community leaders
- Support students, schools, and teachers in the PreK-12 system (work with MACC educational liaisons).

Tab H: REQUEST AMOUNTS

Requests from each program tab have been tallied here. Please review total request amount for accuracy. If total request amount is inaccurate, applicants should edit amounts on individual tabs (remember to click SAVE DRAFT after editing each tab). Also present on this tab is the cash match the organization will be responsible for making based on total grant request. If organization's grant award is lower than the request, the match amount will be adjusted accordingly in the grant contract to reflect a 25% match.

Tab I: ASSURANCES

Make sure all other sections of the application are complete before beginning this step as the application will be finalized during this step.

Follow the on-screen instructions to add the Authorizing Official to the application. The Authorizing Official is the person who is authorized to sign official papers on behalf of the organization. The Authorizing Official cannot be the same as the Project Director. If you do not see your organization's Authorizing Official in the list of available contacts, it means they are not yet in the system. You will need to add them as a contact through your Organization Profile on the Grantee Homepage first before continuing. Save your application, then go to the Home menu and click on your Organization Profile. Follow the directions in the profile screen, then return to the application.

A copy of the Assurances document (for reference only) is available in the Appendix.

SEND ASSURANCES: When all other parts of the application are completed and the Authorizing Official is added, applicants will click the green "Send Assurance" button located at the bottom of the screen. An assurances document, along with a PDF copy of the application, will be sent to the Authorizing Official via email DocuSign*.

NOTE: If the Authorizing Official does not see the DocuSign in their email, check the Spam/Junk folder. If still not showing up, contact MACC staff.

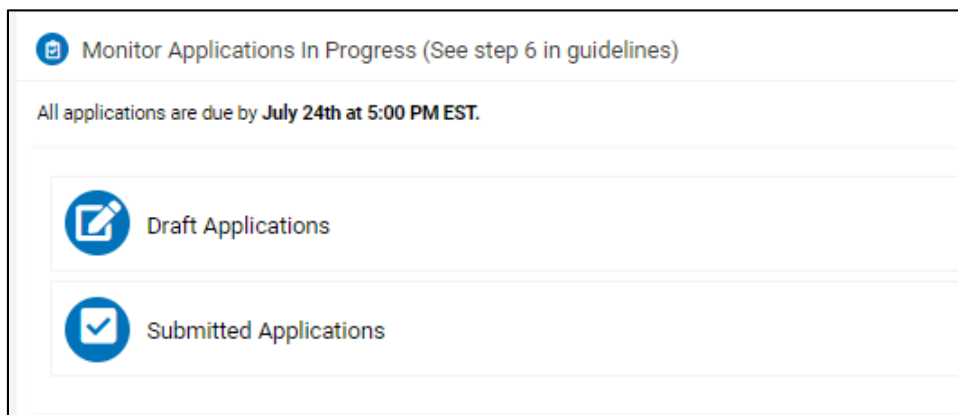

The applicant’s application is not fully submitted until the Assurances have been signed. The signature must be obtained before the application deadline.

*DocuSign is an online electronic signature service that will allow users to sign and return documents to the MACC grant portal. The signer does not need a DocuSign account OR access to the SmartSimple portal to sign and submit the document. An email notification will provide a link to the specific document to be signed, and the signed document can be submitted from DocuSign back into the system. The applicant will not need to download, scan, physically sign, or upload anything; it will be done automatically.

The application is not fully submitted until the Assurances document has been signed by the Authorizing Official, and this must happen before the grant deadline. Applicants can verify if the Assurances document was properly signed, and that the application was submitted properly.

- Navigate to the Grantee Homepage and look under “Monitor Applications in Progress” and click in to either the Draft Applications or Submitted Applications sections.
 - If the application is located in “**Draft Applications**” with a status of “Draft”, the applicant has not completed the application and has not yet sent the Assurances to the Authorizing Official.
 - If the application is located in “**Draft Applications**” with a status of “Assurances”, the Authorizing Official has not yet signed the Assurances and the application is not yet fully submitted.
 - If the application is located in “**Submitted Applications**” with a status of “Under Review”, the Assurances have been properly signed and the application is fully submitted.

Application Submission:

The successful submission of your application does not confirm the accuracy of the grant application, materials uploaded or that it will receive funding. The MACC is not responsible for incorrectly uploaded materials or the inability to open attachments or links. The MACC reserves the right to retain a copy of application materials for archival purposes and its permanent record. All application materials are public records.

What Happens Next Following Application Submission:

- Applications will be reviewed for accuracy and eligibility.
- Grant award announcements will be made in September 2024 (*if the state and federal budget are approved on schedule*).
- Formal grant contracts will be sent to organizations to accept/decline.
- Grant funded programs can begin October 1, 2024.
- Final reports will be due within 30 days of completion of grant funded projects or no later than October 30, 2025.

Accessibility

Grant applicants are required to assure that all arts programs, services, and activities made possible with MACC funding, and all facilities in which such programs, series and activities are held (whether owned, leased or donated to the Applicant) will be accessible to persons with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 OR will provide readily achievable reasonable accommodation as warranted.

Grant applicants will, as part of submitting a Mission Support grant application, complete and attach a Section 504 Self-Evaluation Workbook, which assesses the organization's accessibility in terms of physical barriers that might restrict access to individuals with disabilities.

Accessibility Resources from the National Endowment for the Arts can be found at the following link:
<http://arts.gov/accessibility/accessibility-resources/nea-office-accessibility>

The Fine Print

Receipt of state and federal grants carries with it certain obligations and responsibilities. By submitting a Michigan Arts and Culture Council (MACC) grant application, applicants are affirming that they are familiar with the requirements of MACC, and that they will comply with those requirements.

Grantees should use cost accounting principles which comply with requirements as set forth in 2 CFR Chapter, I, Chapter II part 200 Uniform Administrative Requirements, Cost, Principals, and Audit Requirements for Federal Awards*. This new guidance, commonly called the Omni Circular, Super Circular or Uniform Guidance, replaces A-87 Cost Principals – State and Local Governments, A-122 Cost Principals - Nonprofit organizations, A-89 catalog of Domestic Assistance, A-102 Administrative Rules State and Local Governments, A-133 & A-50 Audit Rules. It is important to note that for grant recipients the change from the previous federal standards (like A-87 & A-133) to the OMNI circular formally went in to effect December 26, 2014, and applies to MACC grants awarded after 7/1/2016.

* All references to the “Omni Circular” refer to the “Office of Management and Budget 2 CFR Chapter 1 & 2 Part 200, 215, 220, 225 and 230 – Uniform Administrative Requirements, Cost Principals, and Audit

Requirements for Federal Awards” dated 12/26/13, <http://www.gpo.gov/fdsys/pkg/FR-2013-12-26/pdf/2013-30465.pdf>

Since MACC receives funding from the NEA (CFDA 45.025), organizations receiving funding from the MACC must, in turn, comply with the requirements outlined in the NEA’s General Terms and Conditions (<https://www.arts.gov/sites/default/files/2015-general-terms-and-conditions-for-partnership.pdf>).

The Grantee shall otherwise be in compliance at all times with all applicable federal laws, regulations, rules and orders including, but not limited to Title VI of the Civil Rights Act of 1964, 42 USC 2000d et seq.; Executive Order 13166; Title IX of the Education Amendments of 1972, 20 USC 1681 et seq.; Section 504 of the Rehabilitation Act of 1973, 29 USC 701 et seq.; the Age Discrimination Act of 1975, 42 USC 6101 et seq.; the National Environmental Policy Act (NEPA) of 1969, 42 USC 4321 et seq.; the National Historic Preservation Act (NHPA) of 1966, 16 USC 470 et seq.; the Drug Free Workplace Act of 1988, 41 USC 701 et seq.; Lobbying restrictions, 18 USC 1913, 2 CFR 200.450, and 31 USC 1352; Davis-Bacon and Related Acts; the Native American Graves Protection and Repatriation Act of 1990, 25 USC 3001 et seq.; the U.S. Constitution Education Program, P.L. 108-447, Division J, Sec. 111(b); and the prohibition on funding to ACORN, P.L. 111-88, Sec. 427.”

Grantees must assure MACC that professional performers and/or related or supporting personnel employed in projects funded by MACC shall not receive less than the prevailing minimum compensation as determined by the Secretary of Labor. Labor standards set out in Part 505 (29CFR) “Labor Standards on Projects or Productions Assisted by Grants from the National Endowment for the Arts.” In addition, grantees must assure MACC that no part of projects funded by MACC will be performed or engaged in under working conditions which are unsanitary or hazardous or dangerous to the health and safety of employees engaged in such projects. Consistent with Public Law 101-512, when purchasing equipment and products under a MACC grant, grantees are encouraged to purchase American-made equipment and products.

Grantees are required to comply with requirements regarding debarment and suspension in Subpart C of 2 CFR 180, as adopted by the National Endowment for the Arts in 2 CFR 32.3254. Grantees are required to execute projects and/or productions in accordance with the above noted requirements, certifying that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Grantees are prohibited from conducting general political lobbying, as defined in relevant statutes, regulations and OMB circular within a MACC funded project.

Travel outside the United States, its territories, Mexico, and Canada not identified in the grant application must be specifically approved in writing by MACC before travel is undertaken. Such travel, if approved, must comply with applicable state and federal regulations.

According to Section 11 of applicant’s Grant Agreement, MACC and National Endowment for the Arts support must be credited and included in all publicity, media materials, website, and during each broadcast promotion of the activity. The Grant Agreement will indicate if National Endowment for the Arts funds are included as part of the award.

Support credits for Mission Support must read: “This activity is supported in part by the Michigan Arts and Culture Council and the National Endowment for the Arts.”

Support credits for Experience Support must read: “This activity is supported in part by the Michigan Arts and Culture Council.”

Grantees must submit, in a MACC supplied format, a final report. The final report must include a narrative summary of outcomes, detailed financial statement, and publicity materials from the activity (i.e. publication materials, photographs and news stories). Selected grantees may also be required to submit an interim report.

Grantees are required to keep on file and make available upon request the following support documentation: A list of dates and amounts of all grant payments received; documentation of all expenditures made using grant funds and matching funds, including copies of paid invoices, receipts, timesheets, payroll records, and tax withholding reports. Documentation of in-kind donations should include volunteer work schedules, copies of receipts given to donors for in-kind donations, an explanation of how the value of each donation was determined, or other supporting documentation.

Tips for Completing Section 504 Self-Evaluation Workbook

The National Endowment for the Arts (NEA) provides the Section 504 Self-Evaluation document to assist arts and culture grant recipients in evaluating their current state of accessibility. The Section 504 Self-Evaluation is intended to assist: organizations in their efforts to comply with NEA regulations, better understand the Americans with Disabilities Act (ADA), and enlighten arts and cultural organizations in identifying strengths, as well as, areas for improvement in administration, programming, and facilities.

Although there may be numerous approaches to evaluating an organization's administration, programs, and facilities about ADA Accessibility, the following "things to consider" may be helpful.

FY25 Mission Support grant applicants are required to submit a current copy of the 504 Self-Evaluation Workbook (completed within the past three years) and maintain a copy as well.

The NEA's link: <https://www.arts.gov/sites/default/files/SECTION504Workbook.pdf> will go to a downloadable PDF version applicants can save-as, complete, and submit.

A FEW THINGS / SECTIONS TO CONSIDER:

- This is a self-evaluation, do the best you can.
- The self-evaluation workbook cross-references the NEA's DESIGN FOR ACCESSIBILITY regulations.
- **You may choose or NOT CHOOSE to cross-reference. Cross-referencing is optional and not required.**
- The actual self-evaluation begins on page 7 and continues through page 33.
- The evaluations consist of "yes" or "no" selections to the best of your knowledge.
- The requirement is to self-evaluate and not about how many yes / no's an applicant has indicated.
- Some questions may not be applicable to your organization.
- Completed evaluations are required to be updated every three (3) years and kept on file.
- Tips on specific sections:
 - **DO YOU QUALIFY** (pages 6 – 7)
 - (D) Asks if the organization is applying for a National Endowment for the Arts grant.
 - Your response could be: "no" if only applying for MACC support and not applying for a separate NEA funding opportunity.
 - (E) Asks if the organization is receiving funds from a state arts agency.
 - Your response could be: "yes"
 - if yes, please list State of Michigan Arts and Culture Council
 - Mission Support grant awards include MACC (state) and NEA (federal) funding
 - Mission Support awardees are required to have a Section 504 Self-Evaluation Workbook on file
 - (F) Asks if your organization is supported by local or state funds, such as municipal or county

- Response is dependent upon the awardee’s tax status.
- 501 (c)3 could indicate “no”
- Municipal, county, city, township, village, Tribal entity etc. could indicate “yes”
- (G) For many, this may be “no”
 - Applicants could reference DESIGN FOR ACCESSIBILITY, but this is **NOT** a requirement
 - Links may not be current
- **ADMINISTRATIVE QUESTIONS** (page 8)
 - Evaluations consist of “yes” or “no” selections to the best of your knowledge
 - (H) Self Evaluation
 - Asks if the organization has an advisory committee to assist
 - Currently, MACC does not have an advisory committee
- **PROGRAM ACCESSIBILITY** (pages 15 – 27)
 - The evaluations consist of “yes” or “no” selections to the best of the organization's knowledge.
- **ARCHITECTURAL ACCESSIBILITY** (pages 24 – 32)
 - Organizations have an option to focus on facility or facilities in this section.
 - Awardees that do not maintain a facility (such as, performance venue) and partner with others for facilities can evaluate their office space the awardee operates **OR** perform generalized evaluation of the facilities utilized.

When finished with 504 Workbook: “Save As” to your desktop and upload into SmartSimple.

The 504 Self-Evaluation is intended to assist: organizations in their efforts to comply with NEA regulations, better understand the Americans with Disabilities Act (ADA), and enlighten arts and cultural organizations in identifying strengths, as well as areas for improvement.

With any questions/concerns related to the Section 504 Self-Evaluation Workbook, contact MACC ADA/504 Coordinator, Jeff Garrett, at garrettj7@michigan.org.

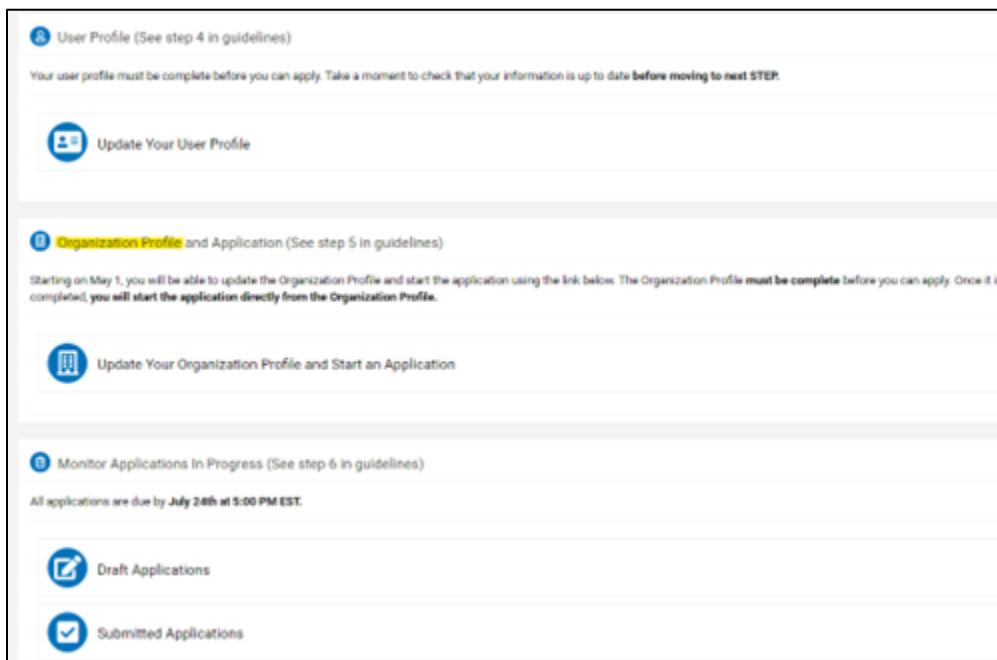

SmartSimple Instructions: Adding Contacts to Organization/Application

The Project Director is the only person who has access to the grant application in SmartSimple unless the Project Director adds other users to the grant application. The Authorizing Official also has access to the grant application if they have a SmartSimple login (Authorizing Officials are not required to have a SmartSimple login). Multiple people can be added as a “Contact” to the grant application, but only one person can work on the grant application at a time.

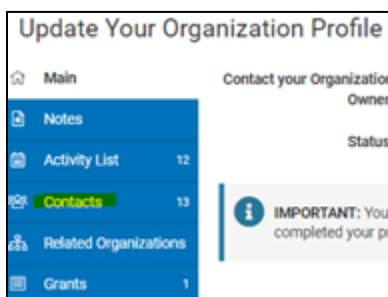

To add multiple individuals to a grant record is a two-step process. The Project Director must be the person to add the “Contacts”. First you will need to add the “Contact” to the Organization Profile then you will add the “Contact” to the grant application. Follow the steps below.

The Project Director needs to login to macc.smartsimple.com

On the SmartSimple home screen, click on “Organization Profile”.

Click “Contacts” on the left side menu.

Click on the “+” icon below the organization name. If you hover over the “+” icon it says “New Contact”.

SmartSimple Instructions: Instructions for Toggling Between Organizations (for those writing applications on behalf of multiple versions)

A user can be associated with multiple organizations in SmartSimple. If a user is associated with multiple organizations, please use these instructions to navigate between the multiple organizations.

To Navigate between Organization Profiles

1. In SmartSimple, the organization you register with first is going to be the main organization you're associated with, but you can be associated with as many organizations as you need. On the SmartSimple home page if you click on "Organization Profile" this will take you to your main organization. In this example I'm using user Marcia Brady (test) and the main organization is Test Organization 2. I'm also associated with Test Organization 1.

Organization Profile and Application (See step 5 in guidelines)

Starting on May 1, you will be able to update the Organization Profile and start the application using the link below. The Organization Profile **must be complete** before you can apply. Once it is completed, you will start the application directly from the Organization Profile.
